

Do You Face These Issues at Work?

Want Interpersonal Skills Training for These Issues:

- A leader with poor relationship skills
- An employee with whom no one likes working
- Who is very sociable but under performing
- Who frequently shows up late to work
- A team member who isn't a team player
- Whose ego is getting in the way of productivity
- A leader whose attitude is abrasive
- Poor time management skills
- Gossips, harassment, bullying and conflicts?
- Poor decision-making skills

We have 20 Years Experience Helping Organizations address the above issues
